

Tufts Career Center FAQ of the Week

When should I start using the Career Center's services and resources?

The earlier, the better! We help students of all class years and at all stages in the career development process. From [strengthening career competencies](#) and [researching majors and career paths](#) to applying for [internships](#), [jobs](#), and [graduate school](#), we're committed to providing individualized assistance and top-notch resources. It's a common misconception that the Career Center is primarily for seniors; in fact, our career advisors assist students from the moment they set foot on campus! First years may [schedule phone or virtual \(Zoom meeting\) appointments with our career advisors](#). Watch our weekly Career eNews for all our upcoming virtual events and opportunities!
