

JUMBOS4JUMBOS

SUMMER 2020 SNAPSHOT

41

The number of unique alumni who presented and offered opportunities for Jumbos4Jumbos, which totaled 49 unique projects

454

The number of unique students who applied for a project through Jumbos4Jumbos

65

The number of unique students who were hired for a Jumbos4Jumbos project

There were 806 applications in total, submitted by 454 unique students, for all of the Jumbos4Jumbos projects offered by alumni in 2020.

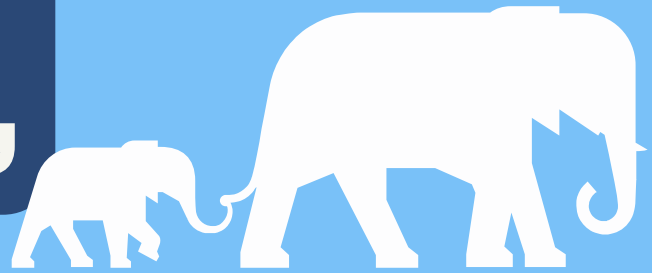

“

"I was so grateful to have relevant professional work-experience in the time of COVID where so many internships had been cancelled completely...I felt very supported by Tufts in my professional endeavors, too, and that meant a lot to me."

Elizabeth S.
Class of 2021

”

We saw a significant increase in application numbers for our Jumbos4Jumbos opportunities in Handshake (compared to non-affiliated opportunities). Students were highly interested and invested in gaining experience by working with alumni.

86%

Students hired enrolled in the School of Arts & Sciences

By far, students enrolled in the School of Arts & Sciences comprised the greatest number of unique applicants and unique hires with 361 and 56 respectively.

34%

Students hired in the Class of 2021

Students hired for Jumbos4Jumbos were split fairly evenly across the Class of 2021, Class of 2022, and Class of 2023, with 22, 21, and 19 unique hires respectively.

15%

Hire rate of unique applicants

Out of 454 unique student applicants, 65 were hired by alumni for 49 Jumbos4Jumbos summer opportunities.

While the opportunities offered by alumni varied in type of work, industry, and even length of project, all were able to offer Tufts students the following:

- Intentional learning objectives that are structured into the experience
 - Promotion of academic, career, and/or personal development
 - Industry related and soft skill development
- Clear expectations and supervisor feedback throughout the project
 - Minimal administrative work (if any)
 - A substantive professional experience
