HANDSHAKE

The #1 way students find jobs and internships. <u>Handshake</u> is the main platform connecting students directly to employers, featuring its robust job board inclusive of all industries. <u>Handshake</u> is also where students will find both employer and career center events, and sign up for career center appointments.

CAREER COMMUNITIES

The Career Center has organized its resources and expertise into <u>6 Career Communities</u>, each with its own customized page on our website, resources, opportunities, and lead advisor.

Engineering, Technology & Physical Sciences

Education, Nonprofit & Social Impact

Arts, Communications & Media

Government, Law & International Affairs

Healthcare, Life Sciences & the Environment

Finance, Consulting, Entrepreneurship & Business

THE HERD

The Herd is our online platform, designed with Jumbos in mind, that connects students to Tufts Alumni for mentorship, advice, informational interviews, and career conversations.

DESTINATION OUTCOMES

Where do Tufts students go when they graduate? 6
months after graduation, the Career Center
publishes organizations and graduate schools
where recent alumni are working and attending.
Follow the link to see the class of 2020
destinations by major. There is also a resource for
Where Tufts Students Intern, which is also sorted
by major.

EVENTS

Each semester the Career Center hosts a variety of events to support students in their career readiness. These events, workshops, and fairs, connect students to alumni, employers, and other community members while serving as explorations and learning opportunities. A complete list of events can be found in Handshake, and on our <u>semester calendar</u>.
